In the time of your life, live — so that in that good time there shall be no ugliness or death for yourself or for any life your life touches. Seek goodness everywhere, and when it is found, bring it out of its hiding-place and let it be free and unashamed. Place in matter and in flesh the least of the values, for these are the things that hold death and must pass away. Discover in all things that which shines and is beyond corruption. Encourage virtue in whatever heart it may have been driven into secrecy and sorrow by the shame and terror of the world. Ignore the obvious, for it is unworthy of the clear eye and the kindly heart. Be the inferior of no man, nor of any man be the superior. Remember that every man is a variation of yourself. No man's guilt is not yours, nor is any man's innocence a thing apart. Despise evil and ungodliness, but not men of ungodliness or evil. These, understand. Have no shame in being kindly and gentle. In the time of your life, live — so that in that wondrous time you shall not add to the misery and sorrow of the world, but shall smile to the infinite delight and mystery of it.

Donald Doliber

Class advisor presents reality behind the scenes

Sure, we know that it's corny to dedicate the yearbook to the class advisor. And we also know that he received the dedication in 1971 and a special award in 1974. Perhaps, had we checked a few closets and rolled over a few rocks, we might've found another person at Masconomet who has done more for the Class of 1977.

But yearbook dedications are supposed to go to the person who is always there, ready to help the individual or the Class as a whole. That person must understand the adjustment which every kid has to make when he prepares for full-time employment or college.

The most obvious, and therefore most deserving, choice for this dedication is Don Doliber.

Doliber, 33, has been a class advisor since he entered the Social Studies department in 1968. A comparison of all the classes he has advised would be unfair, but he does admit that '77 is unique.

"This class is one of the most socially oriented groups in recent years." he said. "The kids want more dances, more parties and more activities."

"School has to be more than books. It is a socialization and those activities are necessary."

Most of Doliber's job is financial and he must steer the class back on the right track when problems arise. Despite the frustrations that accompany the job, Doliber enjoys watching the class mature.

"My happiest moment is when the last name is called at graduation. You get a funny feeling, like they're your own sons and daughters."

"What's so great about being a senior?"

Through this toilsome world.
Once and only once I pass;
If a kindness I may show,
If a good deed I may do
To a suffering fellow man,
Let me do it while I can.
No delay, for it is plain
I shall not pass this way again.

Inseperable

Junior-Senior Prom

May 14, 1976 Coach & Six

Over 300 Masconomet students and their guests jammed into the Coach & Six in Lynnfield for the Junior-Senior Prom. After a deluxe dinner of either chicken or roast beef, and hours of dancing to the music of the Lany Family, junior president Lauren Hampton presented the traditional silver to Jeff Miller, senior president. Gary Moser and Lauren Hampton were crowned king and queen. "Inseperable" was organized by Mark Agnew, Kathee Shannon, and Nancy Hillery. (oh . . . and Diane Lorant, who got fed up with the whole mess and moved to Arizona)

Dean Widenmann's reason for attending the prom? "I got to pull up to the front door in the gold Caddy."

HALLOWEEN PARTY

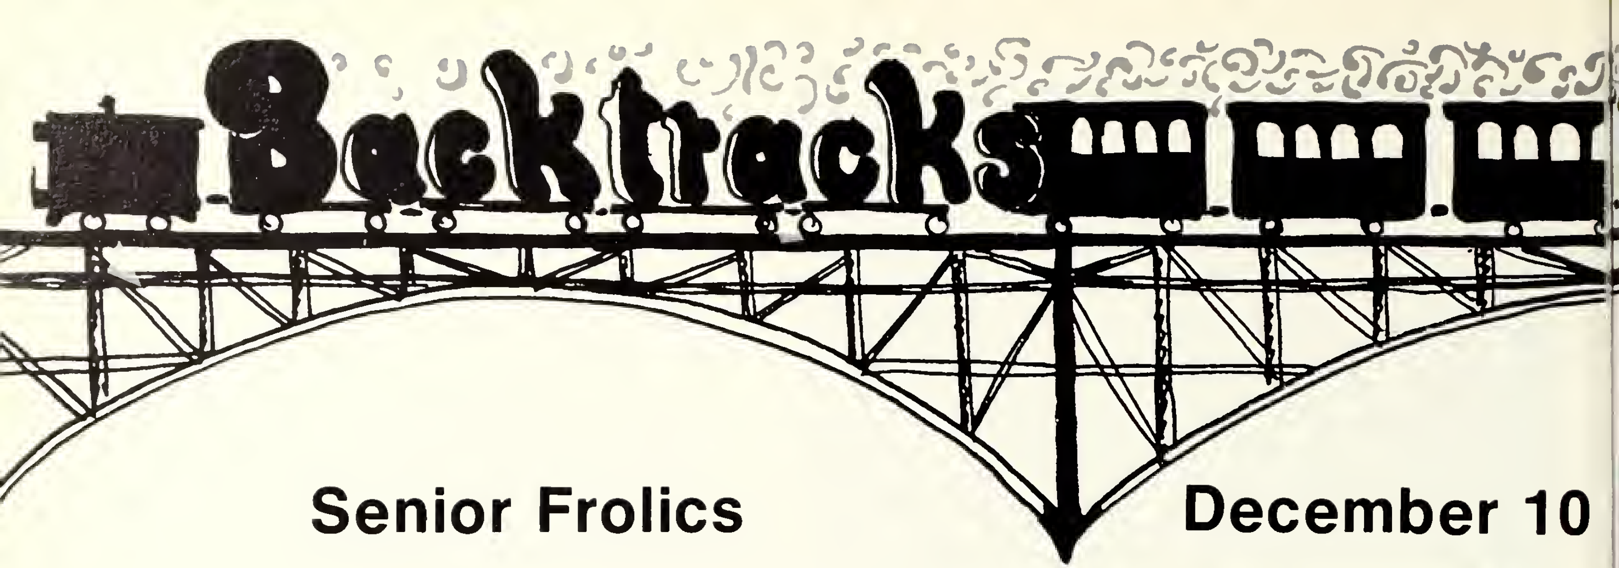
POWDER PUFF

Quarterback Suki Bullens broke through the Juniors' defense on the opening play of the game and romped to a 60 yard touchdown run, as the Senior Super Sonics trampled the '78 Playmates, 6-0, in the annual Powder Puff classic.

"I play Powder Puff," said senior safety Beth Pedicini, "because I want to show the guys that girls can be rough and tough too."

> "The girls were great . . . and they played a great game of football too."
> Coach Dean Widenmann

A 6-0 game usually means that the fans spent most of their time at the hot dog stand. But this was not the case at the December 2nd contest. A crew of senior boys, (at least we think that they were boys) provided the overflowing throng with cheers and half-time entertainment. The troup included Mike Kastrinelis, Lance Roberts, Bob Silva, Tom Knight, Paul Matthews, Bryan Thomas, Chick Denault, Joe Verrengia, and Tim White.



Senior Frolics

December 10

Marvin Masconomet (pronounced as on WBZ) arranges a train trip — one which Garber Travel Service is unable to provide for any interested customers at present — to his former high school. Unfortunately, Marvin falls asleep and misses the direct train to Masconomet. The only way possible for him to reach his desired destination is to take another train which, in a very round about way, eventually arrives at Masconomet.

On his long, sometimes amusing, sometimes interesting, sometimes boring sojourn, Marvin reminisces about his high school years and encounters various characters, including an obnoxious, drunken bum, an overprotective mother with her ugly baby and a Vienese physician. Marvin frequently has the urge to take his suitcase and disembark; each time he is persuaded to stay by the loyal conductor who realizes if Marvin leaves, there would be no show.

Directing "Backtracks" was Donna Murphy. Assistant Director was Alan Benson. Others who held positions of responsibility were Andrea DiBenedetto, General Manager; Mary Buckley, Business Manager; Nancy Bears, Diane Cole and Jody Klosowski, Girls' Chorus Line Directors; Mark Agnew, Lance Roberts, and Art Sullivan, Boys' Chorus Line Directors; Charlie Wood, Stage Manager; Pat Butler, Set Design Chairperson; Dawn Welter, Lighting; Milton Berle, Groucho Marx and Joe Verrengia, Tie-in Staff; and Mr. Doliber, Advisor to the Class of 1977.

CHRISTMAS PARTY

December 20, 1976

Following tradition, this year's Senior Christmas Party was held at the Thompson Club in North Reading. Seniors and invited guests boogied to the music of the James Brothers Band. Santa "DAD" Claus arrived midway through the affair to wish everyone a Merry Christmas and Happy New Year. He brought a few early joke-gifts to various members of the Class of 1977, including class president Mike "Two-Hour-Old Baby" Kastrinelis who received a pacifier, Glen "Pink Panther" Rhuda who was presented with a Pink Panther poster, and Leslie "Shake-It" Mattson who was given a MacDonalds' gift certificate. Santa ended his brief visit by handing out candy canes to all those present. Responsible for organizing the enjoyable affair was Heidi Wise.

Bill Monahan and Ralph Sneeden agree that skate board riding is one of the hardest sports to attempt; it's fast and dangerous. When traveling at high speeds pebbles or small cracks in the road can cause serious injury to an unprepared boarder. "I usually hit 39-40 m.p.h. at Pye Brook and when I'm that low to the ground it feels like I'm traveling at speeds up to 70 m.p.h. — everything is a blur," says Ralph but assures that he uses the proper safety equipment. "The sport may be dangerous but the risk is half the fun", adds Ralph.

Bill enjoys free-style rather than speed, "there is no limit to the variation of stunts that can be performed — even hand stands," says Bill.

Julie Sawyer is well known for her football cheerleading, gymnastics and track but what most people don't know is that she has been waterskiing since she was five years old. Her father taught her how to ski at their summer cottage in Maine, but unlike most people her feet were so small she had to wear sneakers along with her skis. She skied continuously for years and eventually joined a ski club near her camp. She performed trick, slalom, barefoot, disc and shoe skiing and most daring of all Julie performed on top of a five man pyramid. She was recently in Florida where she became interested in skiing professionlly at Cyprus Gardens, and plans on applying in a few years.

Julie also enjoys snow skiing and someday plans on becoming a nurse.

Richard Humphrey has been playing the trombone since he was in ninth grade when he joined the concert band. At the end of the year he joined the stage band where he has been for two years. He has played in a Gloucester orchestra and in the Hamilton band over the summer. He is also interested in theater and performed in the chorus of Oklahoma and Fiddler on the Roof. His other hobbies include woodworking, skiing, baseball, sailing, and the band Chicago. Richard thinks music may become his future career, but he is also planning a future in architecural drafting.

"Fore," a familiar term used by Linda McGinnity as she tees off to win the Junior Club Championship at the Thompson Country Club in North Reading. When McGinnity isn't partying she can be found every Friday at the Thompson Club golfing with her summer league where she won a mother-daughter championship. McGinnity feels that golfing is a good way to get out frustration and anger. She has also been active in softball and the basketball team. She hopes to make the best of her life and to always be happy and, hopefully, rich.

Like most Freshman boys, Lawrence Winde loves sports, especially football, baseball and wrestling.

However, one of "Sandy's" more unusual hobbies is raising ducks. He has eight ducks and had hoped to enter them in the Topsfield Fair but unfortunately one duck went blind.

Sandy is also a star Boy Scout and because of his deep interest in animals and outdoor life, Sandy hope to someday become a forest ranger.

The gymnastics coach, Carol Symmes, has been surprised at the enormous amount of talent bursting from the freshmen girls. Alyson Bolen, Karen Lehman, Rhonda Mann and Patti Pavesi have all contributed to the team's impressive number of victories.

Up and over the horse flies Alyson Bolen as one of the new Freshmen sensations. Few surpass Alyson on the horse as she has received unusually high scores throughout the gymnastics season.

Alyson also enjoys waterskiing, tennis, and piano.

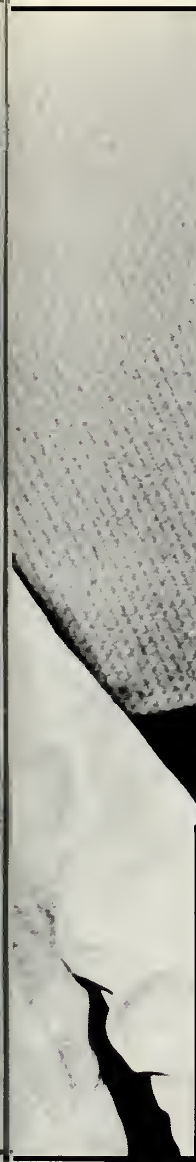
"Open Campus for seniors is great. But if I wind up in study hall when I'm a senior because 77 blew it, I'm going to be mad."
— Debbie Fudge, **'79**



OPEN CAMPUS

After years of deliberation, an Open Campus plan was instituted for seniors in September, 1976. According to an official administration memo, "seniors should be ready to assume a great deal of responibility regarding their use of educational time."

"It is understood that the school has no control or responsibility over the actions of students when they are off campus."

What do seniors Burt Hampton and Paul Hamilton do in their free time?

"We go down to the sub shop every third period and grab a meatball sub."

Why would anyone want a meatball sub at ten o'clock in the morning?

"Because they won't cook a cheese-steak until lunchtime!"

Topsfield Fair

BIG
SKYDIVER

The 201st Topsfield Fair was filled with more amusements, prizes, awards, and animals than ever before. The Fair grows bigger and better with each year, and the 1976 edition was highlighted by an enlarged midway, a complete schedule of animal competitions, and nightly entertainment straight from Hollywood and Las Vegas. "Bobby and Cissy", of Lawrence Welk fame, were the most popular stars on the Fair bill.

The Topsfield Fair is also the source of temporary employment for many Masco kids. Over fifty area teenagers worked in various booths.

The most popular attraction of the fair at least for Masco students, was the dog track. The greyhounds, class C and D puppies from area raceways, ran for a week around the Fairground's oval. Although no figures were available at press time, it is known that Masco kids dropped a bundle at the betting windows.

"I felt the money in my hand and I just couldn't stop betting." admitted Jim Johnson. "I tried to pick some sure winners. Y'know, the dogs with fast times and light weights. I even took the advice of my friends! That was a mistake. They didn't win either. Nothing paid off.

Our Town

"Our Town", Thorton Wilder's universally appealing drama, was presented at Masconomet November 5 and 6, 1976.

The production starred junior Melanie May as the folksy stage manager, who involved the audience in the simple love story of George and Emily Webb, portrayed by Kevin Murphy and Julie Porteous.

Other fine performances were turned in by Blaine Prescott as Dr. Gibbs, Donna Murphy as Mrs. Gibbs, Alan Benson as Editor Webb, and Barbra Roy as Mrs. Webb.

Miss Jean Jarvie, director of the show, provided the inspiration and imagination.

Flower Drum Song

Words and Music by Rogers and Hammerstein

Rave Reviews . . .

The spring musical production took on an oriental flavor as Masconomet presented Rogers and Hammerstein's "Flower Drum Song."

As the plot unravels, we find nightclub owner Sammy Fong (Eric Hickson), trying to rid himself of his Chinese mail order bride, Mei Li (Mary Tragert). Sammy decides that the perfect match for Mei Li would be a law student Wang Ta (Lance Roberts).

At this point, Linda Low (Donna Murphy), enters as the girlfriend of both Sammy Fong and Wang Ta.

The love triangle is further complicated by Mei Li's growing love for Wang Ta. Although it looks as though Sammy and Mei Li will be forced to marry, love conquors all, and the mail order bride ends up with Wang Ta. Sammy, meanwhile, married Linda Low.

"Flower Drum Song" featured a dream ballet, with dancers Bob Cuervos, Ron Nelson, Jody Klosowski, Linda Reilly, Alison Mott, and Dianne Cole. With the use of a "scrim", a partially translucent material, the scene took on a dream-world effect.

"Flower Drum Song" was directed by Jean Jarvie, assisted by student director Blane Prescott. Technical advisor was Robert Morse, and Jackie Woodbridge and Kathleen Cavanaugh guided set design and costumes.

SERVICE CLUBS

National Honor Society

The National Honor Society is a service organization. It devotes its energy to providing services to the student body, faculty and community. The NHS runs a tutoring program which provides extra help to students who need individual aid. This year, the NHS has sponsored a very successful back-to-school dance. Twice a year they hold a book fair and there is an NHS candy sale twice a week. The money raised will go towards a scholarship for a graduating senior.

Leaders

The Leaders Club is composed of girls who want to devote some of their free time to aiding the Physical Education teachers with their classes. Leaders may take attendance, set up equipment, conduct exercises or demonstrate how to play certain games correctly. These girls are a great help to gym teachers, taking much of the burden from them. Leaders also sell refreshments at Masco soccer games in order to raise scholarship money to be awarded to a graduating senior.

Student Council

The Student Council, as in past years, has been very successful. Under the presidency of Sally Goodale, it began the year with a Homecoming Dance in October. The Student Council continued its interest in the student body throughout the year. At Christmas time, a party was given for the Special Education students, and a Red Cross Bloodmobile was held in the gymnasium. Winter Week in mid-February is organized by the Student Council as well as the Carnival held in May to raise funds for scholarships given to seniors at Class Night.

LANGUAGE EXCHANGE

Champigny
Sur
Marne

On April 14, 1976, some thirty students embarked on what was to be the first successful exchange program with France. Destination Champigny-Sur-Marne, the students, with chaperones Sylvia Disenhof, Beatrice Fitch and Nancy Gretto arrived there to begin their stay. They were welcomed by Mlle. Denise Chevallier, an English teacher. As a group, they toured the Louvre, Versailles and Fountainbleau. Left on their own, the tourists travelled to such places as the Eiffle Tower and the Arc de Triomphe. They strolled down the Champs d'Elysee and paid visits to the patisserie or bakery to buy des baguettes, loaves of French bread. August 28th brought the arrival of the French students to stay with American families until September 10th. They went to Boston to see the State House and the Aquarium. French students were seen at Masco as they attended classes. Before their departure, a beach party was held at Plum Island. Termed a great learning experience for all, the French Exchange will continue in the future.

The German Exchange program provides Masconomet students with the opportunity to spend one month in Saarbrücken. Leaving September 9, they arrived in Germany greeted by their host families. Since school was in session, the Masco tourists went each day for a short time and then were able to take quite a few trips to places of interest. Among them were a tour of the Saarbrücken newspaper, trips to a coal mine and a brewery, a tour of the city itself and a two day trip to Heidelberg. They were accompanied by the German students, Mr. Spencer and Herr Bleymehl. There was even time for a boat trip on the Rhine River. The Tri-Town area reciprocated when on March 31, 1977, a group of German students came to begin their stay in Massachusetts. They too came to school every day to either go to classes or just to see what American schools are like. As a group, they made trips to Boston and other places of interest, thus completing a very successful exchange.

ACADEMIC CLUBS

Math Team

The Math Team participates in the Tri-State League and the Massachusetts League. Captained by Willy Woodbridge, the team has given many respectable performances this year. Advisor Jack Paarlberg feels that the relative success of the Masco Mathletes is due to an over-all team effort. Senior Steve Young should be especially cited for his peppy wit talks which gave the Mathletes the courage and the confidence to go on winning. The awesome mathematical skills and talents of the basically junior and senior team are only surpassed by its ability to consume countless boxes of Dunkin Doughnuts and make numerous trips to the bathroom.

Journalism

Journalism is a full year, full credit English course taught by Mrs. Welsh. Journalism students have a page of their own in the Tri-Town Transcript called **Arrowhead.** Each week, the students either choose or are assigned a subject on which to write. The topics usually relate to an event occurring in the area and they keep the Tri-Town residents up-to-date on what's taking place. Writing for a newspaper is an added supplement to the Journalism course.

Mindscape

Mindscape, Masco's literary magazine, is a collection of poetry, prose and artwork submitted by Masco students. Published twice a year, Mindscape provides an opportunity for any interested students to gain experience in the field of publication. It is also an outlet for many talented writers who wish to have their works made public. Guided by the eternal wisdom of English teacher Paul Janeczko, the Mindscape staff is able to create a very successful magazine.

Biology

The Biology Club, this year, consists of students who are interested in delving deeper into the world of plants and animals. Throughout the year they have maintained several aquariums in the classroom. Under the direction of Dr. Kellogg, Masco Biology teacher, the club has gone deep sea fishing and cross country skiing on the frozen Ipswich River. They have also taken trips to the Angel Veterinary Hospital and the Museum of Comparitive Zoology.

Chess

The Masco Chess Club consists of students who share a love for the game and wish to have a chance to play it. Under the advisor John Bast, the club, has run a Club Championship (won by Steve Young) and is currently setting up a ladder system. The club fields the Masco Chess Team, which is currently undefeated. The top four boards are: 1) Steve Young, 2) Mark Kaepplein, 3) Tom Gaudet, 4) Mark Coffin. The Club also sponsors play in local tournaments.

Saturday's Heroes

Football

Led by an "Iron Curtain" defense, the Chieftains had their best year since 1970, with a 6-4 record.

Before the season started, analysts picked Masco to finish near the cellar of the Cape Ann League. But the critics forgot that most of 1975's 2-8 squad were returning starters. Their extra year of experience meant the difference between another bad year and six shutout victories.

Instead of trying to field seperate offensive and defensive units, coach Phil Carletti decided to play his best athletes both ways. Co-captains Primo Lombardi and Peter Ferrari led this durable crew, which also included Phillip Ferrari, Jim Johnson, Tom Hennigan, Mike Kastrinelis, and Will Blackburn.

Dean Widenmann became the CAL Cinderella story, when he won the starting quarterback job in September. His experience consisted of a few jayvee games last year, but according to Carletti, Widenmann did his homework over the summer and showed up at practice in good shape. He was replaced by Tom Hennigan after being injured in the sixth game.

Primo Lombardi, Jim Johnson and Peter Ferrari were selected as CAL All-Stars and Mike Kastrinelis was voted "Unsung Hero".

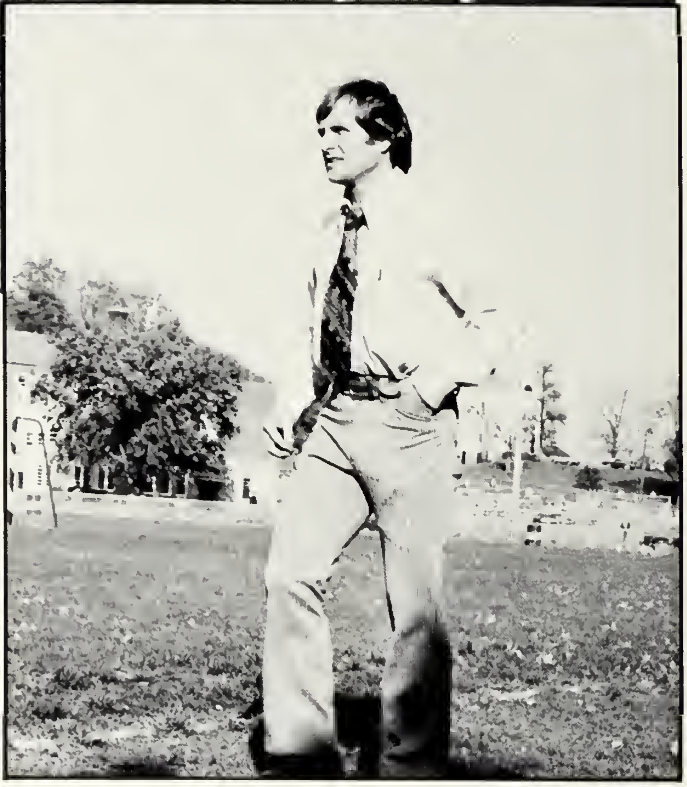
Soccer



Masconomet has had a good soccer team ever since the first Chieftain goal was scored five years ago. 1976 was no exception as Masco finished the season with an overall record of 10-3-4.

This year's squad, led by All-State fullback Mark Agnew and halfback Scott Bortzfield, didn't fit into the Masconomet soccer stereotype. There was no offensive star who the team could depend upon for 35 points per season. Instead, coach Len Emmons employed a true team strategy, featuring frequent line changes and short, accurate passing.

The soccer season ended all too suddenly in the second round of the state tournament. Fifteenth ranked Masco was edged by second ranked Foxboro, 4-3, in overtime. The game was protested, but the complaint was disallowed.

Cross Country

Racing against the Masco Cross Country team used to be about as smart as matching a Volkswagon against a Ferrari in the quarter mile. Other North Shore squads, like the Volkswagon, never had a chance.

The Chieftains dominance over the rest of the Cape Ann League diminished this year, as the varsity fell to a 7-7 record. Masco ended up in the middle of the league's final standings and placed fourth in the CAL open.

"We lost seven meets because we were all on LSD," explained captain Dave Quill. LSD stands for a new program entitled Long Slow Distance, under which runners log over ten miles per day at a medium pace. Quill and coach Larry Gregorchik instituted the new techniques as a replacement for the old "tear and repair" system, when the team would kill itself one day and do minor road work the next.

The squad was hampered by the presense of only two seniors, Quill and William Woodbridge. League champion Alan Dexter, the team's proven work-horse, was absent for the first month of the campaign. Masco is expected to be at the top of the league again in 1977 with the return of Dexter, Frank Altieri, Bob Roland, and Curtis Zingg.

Row 3: John Coughlin, Alex Giger, Doug Scott, Greg Shin. Row 4: Coach Larry Gregorchik, Chris Spottiswood, Greg Hull, Jeff Kenyon, Coach Joe Casey (JV).

Girl's Varsity
Row 1: Teresa Burke, Sarah Bergstrom, Ann Borden, Ellen Davis, Lori Hart. Row 2: Monica Spring, Robin Rice, Maureen Spring, Carolyn Cavanaugh, Coach Joe Casey.

The Girls Cross Country squad finished its second successful season with a 9-2 record. Led by senior Ellen Davis and the Spring sisters, Monica and Maureen, the Chieftains finished in fourth place in the CAL.

Long distance running has been stereotyped as an intellectual sport. Harriers have been described as philosophers, or as one editor of "Esquire" magazine put it, "Gibran in a jock."

"I only think of one thing — the finish line."

Field Hockey

"Beating Danvers was the turning point. After that, it was all wins and ties."

Varsity
Row 1: Laurie Sawyer, Heidi Walsh, Heather Crowe, Julie Harvey, Paula Sims. Row 2: Lisa Cyr, Kim Jones, Kris Peachy, Debbie Fudge. Row 3: Mary Jane Van Kaavelar, Kate Murphy, Debbie Lynch, Prudy Minich, Sharon Ludes, Sandy Fuhs.

It took the team a couple of weeks to learn a new system, but the varsity field hockey squad pulled itself up to a 7-7-2 record.

"I'm very proud of the girls." said coach Pam Finnegan. "There were many sophomores on the team and it took a while to develop an offense."

Co-captain Prudy Minich led the team with 15 goals in sixteen games.

"I loved it. It's good exercise and it was good to be part of a team."
— Kate Murphy

The Chieftains' victory over previously undefeated Danvers High was the turning point in what looked to be a poor '76 campaign."

"It was fun to be the underdog and beat a better team." said Prudy Minich. Before the game, we got all psyched up and we knew that we'd win. I wish that the game was scheduled earlier in the season."

Girls' Basketball

Varsity
Row 1: M.J. VanKavelaar, Kris Peachy, Suzanne O'Brien, Cathy Deans, Connie Wilson. Row 2: Wendy Harrington, Sandy Fuhs, Marlene Joyce, Suki Bullens, Coach Tracy Mousseau.

Jayvee Row 1: Lauren Barows, Lori Lebel, Stacy Leighton, Patsy Falkner, Anthea Fasano. Row 2: Coach Dick Craig, Robin Spiro, Diane Myers, Lauren Child, Eileen Sheehen.

"Inconsistent" was how captain Suki Bullens described the girls' basketball season, as the squad reversed its '76 record and wound up 5-13.

Three of last year's starters graduated and two important substitutes didn't go out for the team. When coach Tracy Mousseau returned from a year's sabbatical, she was confronted with glaring holes in her line up and a shortage of experienced players to fill the gaps.

Masco fielded a starting five of Bullens and Mary Jane Van Kavelaar at guard, juniors Suzanne O'Brien and Connie Wilson at forward, and Sandy Fuhs and Marlene Joyce splitting the duties at Center.

"We concentrated on aggressive defense and the basics." said Van Kaavelar.

Basketball

"... a truly balanced team, with depth at every position ... One of the tallest teams in the C.A.L. ... Joe Casey can field a front court of 6'4" all night ... the Best team in the league ... Should do better than No. Reading in the states ... what defense! ..."

"There is always somebody to pick up the slack. If Sam isn't hot, then Donny will score for us. If Donny isn't shooting, Glen warms up, or one of the guards, or Killer comes off the bench. Agnew is a rebounder and he's been top scorer at times. We average sixty to seventy points a game and everyone contributes."

Jayvee Row 1: From left to right, Charlie Ashing, Chris Singleton, Joe Vogt, Mike Iarocci, Matt Barry. Row 2: Bill Moorman, Steve Iarocci, Randy Emmons, Greg Shinn, Jason Rhuda (manager). Row 3: Chris Wheeler, Steve MacKay, Phil Ferrari, Kevin Kiley.

Row 1: J. Harvey, J. Brockelman, T. Kruysman, W. Learned, C. Goodhue. Row 2: S. Ganley, B. Wood, B. Bears, J. Cusack, T. Price. Row 3: B. Brisbee, A. Hills, R. Burns, D. McDougald, W. Bakewell, J. Tumber. Row 4: Coach R. Church, Ken Lane, J. Hurka, M. Russo, R. Church.

The Ski Team did it again, completing another fine year in the Merrimac Valley Conference. Led by Heidi Hazeltine, Joe Hurka, and Scott Whitley, Masco headed for a playoff with Andover at Season's end to determine the league champion.

"Skiing is a personal sport." said senior Beth Huckins. "You're part of a team, but you race against the clock, not another person."

A skier only has one chance to race the slalom course and he has to give it his best shot.

"Mental additude is the most important part of ski racing." said Huckins. "I have to get wicked fired up before I get to the starting gate then give it everything I've got. A skier has about 25 seconds to prove himself on the course."

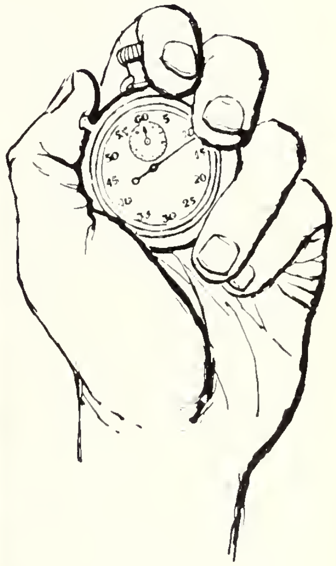
Indoor Track

The Chieftains' record of 7-1 is a good example of what can be accomplished in the face of large odds. Indoor Track had two forces working against it: 1. Poor training facilities 2. A tough league.

Runners have to practice in the corridors after 3:00 pm and must contend with waxed floors, halls full of people and locked doors.

"I was sprinting by the library and somebody opened the door." said Mike Ferrari. "I almost broke my nose."

Captain Ferrari set Commonwealth Conference records in the 300 and 600 yard runs against the likes of Bishop Fenwick and Lynn Tech. He and Dave Wood will go to the state competition in March.



Row 1: Scott Baker, R. Soldano, Jim Johnson, Paul Hyde, Rich Fryberg, Eric Fredrickson, Coach Greorchek. Row 2: Mark Porvier, Jim Cavanaugh, Tim White, Andy Barr, David Wood, Barry O'Brien, Row 3: Miquel Garrido, Steve Dustin, Peter Shepard, Jeff Kenyon, Russ Leathe, Brian Palmer. Row 4: Dave Quill, Kurt Zingg, Billy O'Neil, Jeff Spicer, Peter Hurley, Eric D'Astino, Peter Masse. Row 5: Sean McDonough, Tom Netwig, George Dyer, Carl Clemson, John Stevens, Kevin Shaw, Wayne Gial.

Wrestling

"Some wrestlers exceeded their potentials, while others didn't even meet theirs," explained Coach Dennis Puleo after the Chieftains finished 1976-77 with a 9-6 record.

Wrestling isn't just an after school intramural. It's a 24 hour per day sport that requires a strict diet, weight lifting, and miles of roadwork in a vinyl suit.

"By the time you're a senior, you've got your own way to lose weight," said Tri-Captain Gary Moser. "Two square meals and no snacks does it for me."

Moser finished with an 11-4 personal record. Other Tri-Captains Matt Boyle and Charlie Wood ended up 13-1 and 7-5-1 respectively. Steve Hogan, at 140 pounds, led the team with a 14-0 mark.

Girls' Gymnastics

Private lessons, physical fitness and the Olympic Games helped to make this year's girls' squad one of the best in recent years. Coached by Carol Symmes, the team ended up with a 4-5 record after two straight disappointing seasons.

The Varsity was comprised primarily of freshmen, with a few upperclassmen sprinkled in. What the freshmen lacked in experience, they made up for in enthusiasm. Symmes, assisted by co-captain Leslie Marandola, worked with them to develop their basic skills, grace, physical condition, and to create a routine.

> "I get satisfaction in doing a difficult routine. I also got a sprained back."
>
> — Joanne Marland

The Winter Olympic Games had a great influence on the team. The routines of Roumainian superstar Nadia Comaneci were attempted without much success.

"I almost killed myself on the bars" said one anonymous gymnast.

Row 1: Julie Sawyer, Leslie Marandola. Row 2: Deidre Megley, Joanne Marland, Rhonda Mann, Sherri Hurde, Sue Richardson, Lisa Disousa, Donna Regii, Kim Jones, Allison Bolen, Patti Pavesi, Tricia Burke, Heidi Walsh, Ellen Davis, Barb Demers, Karen Lehman, Kathy Noyes, Bit Dustin.

Boys' Gymnastics

In a couple of years, the boys' team will be a powerhouse in the North Shore Gymnastics League. But this year, with only a couple of experienced gymnasts, Masco wound up 0-12.

"We've got a very young team, especially compared to the rest of the league." said coach Ed O'Bara. "We've started an intramural program in the junior high to give them experience."

Gymnastic technique can't be developed overnight, according to captain Bob Walsh. It takes years to develop form, flexibility and upper body stregnth. Training includes weights and running.

Hockey

It takes more than a bunch of kids who can skate to make a hockey team. There is a special relationship between the members of each "line" and defensive pairing. If the chemistry isn't right, the players just aren't going to perform, no matter how talented they may be.

This was the Chieftains' story this year, as Masco wound up 7-6-2 and missed the state tournament for the first time in five years.

"A lot of starters graduated in 1976," said captain Paul Matthews, "and some of our regular lines were broken up. We tried a hundred different combinations, but nobody seemed to click.

Stacks of Mitobos do not simply arrive, completed, at Masconomet one fine spring morning. Yearbook is a continual process, from the first lay-out in September, to the mailing of the supplement in June. We'd like to say thanks to:

Production advisor Jim Garabedian because he told us what was ugly;
Business advisor Roger Lauzon because he told us how to pay for everything;
Principal Richard Dussault for his negotiations with Hunter Publishing Co., and Stevens Studios;
Mr. Jordan Patkin for the cover photo;
Mr. Gerald Plumley for the winter sports press day;
Eleanor Schmakel for her advice;
Mr. Guy Garon because the first year as our Hunter representative is always the hardest;
UPI for their wire photos of Jimmy Carter;
All the kids who ran our errands;
All the kids who brought us the yearbooks of other schools;
Mr. and Mrs. Ken Knox for the use of their kitchen at 3:00 am;
The club advisors, team coaches, and all the kids for their help.

Nice Guys Finish Last

"In the time of your life, live-so that in good time there shall be no ugliness or death for yourself or any life your life touches. Seek goodness everywhere, and when it is found, bring it out of its hiding-place and let it be free and unashamed. Place in matter and in flesh the least of the values, for these are the things that hold death and must pass away. Discover in all things that which shines and is beyond corruption. Encourage virtue in whatever heart it may have been driven into secrecy and sorrow by the shame and terror of the world. Ignore the obvious, for it is unworthy of the clear eye and the kindly heart. Be the inferior of no man, nor of any man be the superior. Remember that every man is a variation of yourself. No man's quilt is not yours, nor is any man's innocence a thing apart. Despise ungodliness and evil, but not men of ungodliness and evil. These, understand. Have no shame in being kindly and gentle. In the time of your life, live-so that in that wondrous time you shall not add to the misery and sorrow of the world, but shall smile to the infinite delight and mystery of it."

William Saroyan

The Last Will and Testament
# of the Class
# of 1977

The Accounting II class leaves their great teacher, Mr. Lauzon, "Johnny Cash's Greatest Hits."

Mark Agnew leaves a wing for a wizard, with love for wisedom, a wish for a wanna, a wimp for a lam, a lot to a len, a liter to a linguini, and lewd laughter to all.

Laureen Ajootian leaves happiness to everyone in Early Childhood and also a forever burning Roman candle to Mr. Gregorchik for showing her the light.

The B.B.B. leaves its name and insignia to Carol, Sasha and Bit; and the honorary position to Munch.

J.B. leaves the MANAGEMENT to F.G.

Scott Bauer leaves a paste on moustache to (pistol) Paul Savage when his bad breath wilts his real one, and a roll of barbed wire to Mr. Puleo to strech between the goal posts next fall.

Holly Bill leaves Molly Murphy swinging on Heartbreak Lane with a can of tunafish in hand.

Bob Bolen leaves to Dr. Kellogg three kernals of Cracker Jacks.

The Boxford Booney Club leaves lots of luck to fellow Boxford Boonies when it comes time to find rides in and out of the sticks, and Molly Murphy one G.B. on Crane's Beach and a deposit in from of Abbott's Shoe Fair. Rise and shine, Mil!!!

Matt Boyle leaves something, we know that much!

The Board of Directors at Canobie Lake Park leave Jane Walz a free ride on the Calypso, a new pair of shorts, and their deepest sympathies.

Laura Brockelman leaves her car that never was to Trisha, Karen and all the others that love to leave Masco.

I, Thaddeus Brown, leave Mrs. Oldrieve my car and hot seat, Gerry and Sue Chopsticks from Bisuteki, and ABC forever.

Mary Buckley leaves Miss Mensh a new "Brownie" for classics, D.A.D. a McDonald gift certificate and all the love in the world (thanks D.A.D!), my junior friends, (K.K., F.G., M.M., K.M.) a great Senior year, Mel May "The Rat", and "Uncle George" a big hug!

Ted Buiting leaves four years of Masco and the best of luck to his once little sister, Noreen.

Bunny #1 leaves the #1 position and the "Collection" to Bit, 1 basket of Macintosh apples and a ride home to Frank, a cone for "Conehead", shoulders to Kris, and red licorice to Jeff whenever he needs it.

L.C. leaves Pebbles memories of Fred, grapefruits slightly resembling strawberries, and lots of love and good luck.

Pam Carney and Liza Miran leave all the cancelled chess matches to any two hyper cheerleaders that want to be next year's checkmates.

I, Judy Cataldo, leave Mr. "C" my friendly "hello", a box of throat lozenges, and a new pair of shiny black shoes to chase his car down the highway with.

Sharon Caulfield leaves the millionth hello to Kevin, a membership card of "Failures Anonymous" to Scott, a "butterball" to Dave (wishing she had known him), one of M.B.'s stolen classics papers and some "good news" to Leith in hopes that he still might be saved.

Carolyn Cavanaugh leaves an out-of-tune oboe, worn-out track shoes, and a busted Calculus book to anyone who wants to try for an ulcer.

The Crew leaves Masco's guys with all their fantasies unfulfilled, and Masco's girls with the hopes they find someone else to idolize.

Trisha D. leaves Steve a pile of silly notes with silly comments to decorate his van with.

Kathee Daniels leaves with a smile on her face!

The DECA Club leaves Mr. Dussault another bake sale, the Colonial Hilton a new diving board, Dunfey's Hotel a new toilet seat, and Mr. Smith with tears in their eyes.

Carolyn Decker leaves Masco for the second time, but this time for a lot longer than just a year.

Carolyn Decker, Wendy Stromberg, and Erin Shaughnessy leave Eth remover to all those that need to be ZAPPED!

"Dee" leaves "Dan" her younger sister "Lee" to spy for her next year. Thanks for D.N. "Dan."

Chick Denault leaves Mr. Puleo's car to any other auto shoppie jock who dares to get it inspected and to Mr. Horn a case of beer for all his help.

Donna and Lance leave their featured guest spot on Community Auditions to Melanie May and Sam Townes.

I, Michael Duffy, leave Laura Bond a notebook and a pencil for taking my notes in lecture,and leave it up to Bob and Jeff to keep weekends torquin'! I leave Mr. Emmons a goal post to pinch!

Sally Dunn leaves to Mr. Lauzon a picture showing the image of a successful accountant; to Ann Collard, Sue Bouchard and Mark Bishop a few more years of Blood, Sweat & Tears in this school, and also to the Pink Panther a week of skips for the times she wants to take her COBRA to McDonalds.

Steve Dustin & Wendy Stromberg leave on an AIRPLANE TRIP. They leave Mrs Grenier a notebook full of hangman that they did in class.

Eddie and Julye leave their reasons why they never got in trouble for being late.

Dale Eddy leaves a case of the Uncola and the record to break of 505 wagon days to the Junior with the guts to be different, dry and dedicated. He also leaves Wally Roberts an open short-stop position, a team of bunters, and an 8-track tape of "Smoke on the Water."

Ellen Davis leaves Mr. Manseau an electronic music lab.

Mike Ferrari leaves to Jim "Slimy" Cavanaugh a gas mask to protect himself from Mr. Savage's bad breath, to Lori Hart his green apple scented bubble solution to keep herself occupied during English next year, and to Dave Lynch some of his speed!

Peter Ferrari regretfully leaves Linda M. and 3 years of shared memories behind, hopefully not forever.

Patty Ferreira leaves Cindy May one more year of harassment from Mr. Savey for being late.

I, Sandy Fuhs, leave Suzanne O'Brien with this hopeful(?) note: She might not be, but then again, she could be! You'll have to find out on your own!! I also leave Becky George's number so she can play S.W.A.T. with him!

Sandy Fuhs and Mary Jane Van Kavelaar leave the Leader's Club a bottle of glue to hold it together.

Tom Gaudet misses Mench, leaves Board 3 on the Chess Team to Mike Peake, a pox on all who interrupt Rhetoric, and a challenge to the Class of '78 to top the number "77's" Dartmouth acceptances.

The Girls Tennis Team leaves Sandy Orth counting the tennis balls after practice.

I, Sally Goodale, leave Sue and Karen to the early morning bus driver and Tricia and Cheryl to survive one more year. I leave Kara the key to my house, a guardian angel and all my love. With many regrets I leave Leo.

I, Elaine Gormley, leave behind a dynamite sewing room to whoever has the creativity to use it, and many happy moments with Mrs. Blanchard. I leave to whoever has the strength to rub and scrub all those burnt black pots I found hidden in the cabinets and left beyond reach in A210!

I, Nancy Gormley,leave to the rest of this dynamite(?) school all the Hoodsmen to carry on the freak (HA HA) tradition of Masconomet, and a prayer that Jimmy will never get to see what a clique joint this school really is.

Debbie Green and Kris Merman leave all the "freezer rooms" for Beth, Linda, & Tammy to enjoy.

Debbi H. leaves her car to Jeff Irish so he has alot to do in auto shop and happily leaves Shaun Donovan with many bruises caused by several cruel beatings.

Sue Hall leaves Masconomet with no more Halls.

Tom Hennigan leaves lots of love, luck, and success to Ammamn and all the great times he's had with the BOYS; also to Ace he leaves a deck of cards.

Huss and Chini leave together . . .

Paul Hyde leaves Jim "Slimey" Cavanaugh his fogproof goggles for high velocity racing, "Queen" Marie Giordano a scepter to use when whaling on her fag NHS subjects, and hopes that neither of them try to live up to their nicknames.

Joe Iarocci leaves Mrs. Grenier no more "M de T", "casis", or "predilecto's" and Mr. Doliber a can of Macadamia nuts, two jars of pickles, and a copy of Walden or Nature.

Ingrid leaves next year's yearbook staff a book of sick Italian jokes written by Joe Verrengia,and the job of compiling the 1978 Class Will to some other lucky person.

I, Carrie Jacobs, leaves to Joanne Marland a patend for "shaft Inc.", Mike Iarocci a $9.80 perfecta ticket, Kara Lombardi a very clean locker and a list of do's and don'ts for the next three years, Mr. Constantino a body builder, and Amy Stone, please don't squeeze the Charmin. P.S. Mr. Rabin-- I did it.

Nancy Jalbert leaves with enough combs, pencils, gum, and money to supply Sonja Nathan for a life time.
